

heygold SE: Entry of the object of the company in the commercial register

Cologne, April 06, 2023

On March 09, 2023, heygold SE received an official statement from the Deutsche Bundesbank that there are no objections to the entry of the object of the company in the commercial register with regard to section 43 (1) of the German Banking Act (KWG) and section 10 (7) of the German Payment Services Supervision Act (ZAG).

With the issuance of this negative clearance by the Deutsche Bundesbank and the resulting confirmation that the business activities conducted by heygold SE are exempt from approval, the resolved corporate purpose in accordance with the Articles of Association was entered in the Commercial Register on March 29, 2023.

This is as follows:

"§2 Object of the Company

(1) The object of the company is

- The trade with and of precious metals,*
- the development of tokenized products,*
- the distribution of vouchers for payment in kind,*
- the sale of co-ownership shares in a defined collective stock,*
- the sale of tokens as evidence of co-ownership shares in the collective holding,*
- the development, operation and distribution of a payback system, in particular a points system in the form of "gold nuggets".*

About heygold SE

heygold SE combines tradition and modernity in an innovative way. By bundling the expertise of Deutsche Edelmetallhaus GmbH and the neo-precious metals trading company heygold.com (GTS AG), we tap valuable synergies from the classic and digital trading of gold and other precious metals.

Our vision is to modernize precious metal trading. Whether young or old, with a low or high budget, with industry knowledge or without, we believe: Everyone should have the ability to buy and sell gold and other precious metals simply and easily.

As a progressive omnichannel precious metals dealer, we enable customers to decide for themselves when, how and how much they want to invest in precious metals. We offer the right solution for every customer requirement, whether offline in the retail store or online via the web or in the super app.

The successive expansion of the portfolio as well as the range of services in the off- and online channels will open up additional target groups. The consistent digitization of our business processes and the associated scalability allow heygold SE to open up markets far beyond the borders of Germany.
